

Ready to take it to the next level? Let Titan show you the ropes in the latest entry of its groundbreaking Rough series, brought to you by the demented minds of co-directors **Tony Buff** and **Paul Wilde**. Piss play, punch fisting, skin clamping and mind-altering flogging are just some of the dominating deeds on display in this frenzied entry led by Buff and fellow TitanMen exclusive **Tibor Wolfe**, who show why the studio is First in Fetish.

Tall, tan and hairy **Tibor Wolfe** gets pissed on, fed, fingered, dildoed, fucked and fisted by **Adam Russo** in an energetic pairing that leaves nothing on the table.

Muscle man **Spencer Reed** gets his gorgeous cock worshipped before breaking **Cullen Cable's** spirit during an intense flogging session.

Alpha males **Tony Buff** and **Spencer Reed** tie up **Cullen Cable** for more abuse, clamping his skin and tag-teaming his ass in a grunt-filled fuck.

Scene 1

TitanMen exclusive Tibor Wolfe with Adam Russo

Tattooed and hairy Tibor Wolfe towers over shaved-headed Adam Russo, the two sharing a kiss. As Tibor drops to his knees, Adam grips his own balls to feed him—his red sack soon slick. “Want my fuckin’ piss?” asks Adam before unleashing a heavy stream onto the stud, whose mouth and chest get drenched. Adam licks Tibor’s face, kisses him and spits into his mouth, then drops to feast on his big boner. Adam lightly smacks Tibor’s balls with his hand, then turns him around to eat and finger his hole. Soon in a sling, Tibor’s balls and hole get more abuse. Adam punches Tibor’s pecs, twists his nips and spits into his mouth before sliding his stiff cock inside—continuing to punch the bottom’s chest as he plows him during an increasingly fast fuck, his own balls bouncing below. Giant dildos soon stretch Tibor’s hole even more, the bottom swinging on and off the thick tools after Adam punches them deep inside. With Tibor’s hairy hole still puckering, Adam lubes up his forearms and takes turns sliding his arms inside, soon fist fucking the begging bottom (“Fuckin’ punch my hole!”). After getting Tibor to slide onto another big dildo, Adam fucks him again as thick strands of lube connect their bods. The final glorious shot captures Adam stroking, his defined body shining with sweat and lube as he shoots. He hits Tibor’s balls with his load, bending down for a final kiss to end the intense action.

Scene 2

Cullen Cable and Spencer Reed

In his camouflage shorts, a shirtless Spencer Reed beckons over jockstrapped Cullen Cable. The stud plants his head on Spencer’s bulging shorts—and soon finds himself worshipping the muscle man’s thick throbbler. The cock-hungry pig gets to work, deep-throating Spencer with ease as he looks up at the alpha male, gasping for air in between thrusts. Spencer whips his dick on Cullen’s face before fucking it again, spit strands dangling from his cock. Spencer spits into Cullen’s mouth and the hungry fucker pounces on his shaft again, barely having time to breathe. Now standing with his back to Spencer, Cullen gets his hands tightly tied to a Saint Andrew’s Cross. With his uncut and pierced juicy boner pulsing underneath, Cullen gets a long and intense flogging session that he takes like a man. Jacking his own big boner, Spencer uses a few floggers to bring the sub to the brink as yells fill the air. As his own muscles get sweatier, Spencer whips Cullen’s tight back and ass—which grow increasingly red. “C’mon boy, maintain yourself!” says Spencer as Cullen grits his teeth and grimaces, his face telling the story in revealing close-ups that take us inside his cathartic journey. Their deep connection intensifies as Spencer kisses his captive again before getting back to work, finally untying him before Round 2.

Scene 3

TitanMen exclusive Tony Buff with Cullen Cable and Spencer Reed

A shirtless and smiling Tony Buff stands ready with rope as Spencer brings Cullen to him. “You worked him over pretty good,” says Tony, who proceeds to tie the captive up from behind in a tight grip, the knots soon hanging from a suspension ring. As a rock-hard Spencer watches, Tony ties up Cullen’s left leg and also connects it to the ring, rendering the sub practically immobile as he’s left to balance on his right leg. With a vulnerable body to play with, the twisted duo attach 10 heavy clamps to the stud’s tight flesh: four on his chest, four on his stomach and one on each of his big biceps. The two pinch his flesh, pat his chest and flick the clamps, his body a playground for their abuse. Tony takes out his huge cock and strokes it, then eats and fingers Cullen’s hole before pinching his pec flesh some more, eliciting a “Yes sir!” from his captive after whispering to him. The two remove the clamps to reveal red welts all over Cullen’s body—which they proceed to finger, causing him to unleash more verbal anguish. Tony offers his own forearm for temporary relief (“Bite hard!”) before Spencer fucks the bottom. Veins burst from Cullen’s forehead, neck and shoulders as he grunts and groans. His other leg finally free, he’s turned around and rammed by Tony. Spencer spreads the bottom’s cheeks with his man hands, opening the hole up for Tony. The two tops then coat Cullen’s cheeks with cum as their own sweaty bodies shine on camera, the defined line between Spencer’s giant pecs shimmering on screen.

Bonus Features

Tony Buff interviews the cast in two informative segments, while trailers and looks at TitanMen Tools and Lube round out the package.
