

No one has been able to capture intense, unfiltered man-on-man sex in stunning natural settings as masterfully as critically acclaimed director Bruce Cam. For an event as monumental as his last adult feature, the GayVN Hall of Fame Director takes a cast of 13 masculine men in the very tradition of TitanMen that he created himself—with 11 TitanMen exclusives including the return of TitanMen exclusive Eduardo, who bottoms for the first time ever onscreen—and directs them in 7 breathtaking scenes teeming with explosive eroticism and unparalleled natural beauty. A truly staggering achievement shot entirely in high-definition, a masterpiece like **Breakers** does not come along very often, but then again neither do the talents of a filmmaker like Bruce Cam.

The sun beats down on two surfers (TitanMen exclusive **Damien Crosse** and **Jackson Wild**) peeling off their wetsuits on the beach. Jackson sucks down every inch of Damien's hefty, uncut dick while furiously batting down on his own hard cock as he works himself into a frenzy. They retreat to a trailer where Damien pounds Jackson's ass mercilessly.

TitanMen exclusives **Dean Flynn** and **Rick van Sant** are camping when a park ranger (TitanMen exclusive **Tony Buff**) arrives to teach them a lesson about respect. After whipping Dean's ass until he begs for mercy, he moves on to Rick and gives his ass a far more severe punishment with his fist. After having his way with them in the woods, Tony brings Rick and Dean indoors where he gives the two campers a proper ass pounding.

TitanMen exclusives **Darius Falke** and **François Sagat** emerge from their tent completely naked and hard. With undeniable chemistry, the two rugged specimens of masculinity engage in a flip-flop piss-and-fuck session with an intensity rarely seen on film.

Next, three hairy, *über*-masculine studs (TitanMen exclusives **Alex Baresi** and **Eduardo** with **Arpad Miklos**) jump ship into an outdoor shower, eagerly diving into a sizzling flip-flop three-way watersports fuck session.

Stunningly handsome and fantastically hung TitanMen exclusive **Dillon Buck** debuts with fellow exclusive **Diesel Washington** by pissing all over and fucking the cum out of exclusive **Victor Banda**. Diesel sprays Victor with more piss before he and Dillon bounce Victor around on their cocks and spray him with their second set of loads.

For the unforgettable finale, brutally severe topman Tony Buff puts fellow TitanMen exclusives Darius Falke and François Sagat through the ringer; after some cock worship, François and Darius jump onto the cab of the truck, letting Tony work their asses over with his tongue, fingers and mouth before he gives them a deep-dicking that leaves them drenched in sweat, piss and cum.

(NOTE: Watersports and fisting only in director's expanded edit, available exclusively at www.titanmen.com)

Scene 1

TitanMen exclusive Damien Crosse with Jackson Wild

The hot summer sun beats down on two wetsuit-clad surfer dudes (TitanMen exclusives Damien Crosse and Jackson Wild) emerging from the crashing surf as they find some privacy in a rocky beach on the shore. The two scruffy young men playfully splash each other with water and kiss as they rub their cocks, which are hardening under their tight wetsuits. Damien peels down just enough of Jackson's suit for his dick to pop out and start pissing all over him. When he's done, Damien's quick to kneel before Jackson and suck his cock, eagerly stuffing the entire thing down his hungry throat. Watching from a scenic overlook, TitanMen exclusive François Sagat moves in closer as the action heats up. As the pair gets out of their wetsuits, Jackson desirously sucks down every last inch of Damien's thick, uncut cock, giving plenty of attention to his foreskin. Jackson furiously bats down his own rock-hard cock as works himself into a cock-sucking frenzy until Damien spews first piss and then his load all over his face.

After a dip in the ocean, the two return to a trailer parked by the beach. Still naked and hard, they pick up where they left off—exchanging animated, spit-filled blowjobs until Damien turns Jackson around and dives into his ass. After covering Jackson's puckering hole with spit, Damien gives him an intense tongue fucking then moves in with his cock, starting out with long, hard strokes and building up to a furious pace, drawing his cock all the way in and out with each pounding stroke. Damien flips Jackson onto his back and pins his legs back so he can go in deeper, clearly driving Jackson wild as he soon shoots a load all over his own stomach while Damien continues to drill him. Damien shoots his load soon after and the two collapse in an embrace and kiss.

Scene 2

TitanMen exclusives Dean Flynn, Tony Buff, and Rick van Sant

As the sun sets, we move inland to a campground where we find TitanMen exclusives Rick van Sant and Dean Flynn—both shirtless—warming up by a campfire. The two lovers retreat into their tent for the evening. The next morning, a ranger (TitanMen exclusive Tony Buff) confronts them as he's making his rounds in the forest. Tony seizes Dean for mouthing off to him, bends him over a picnic table, peels his pants down around his ankles and proceeds to give him an "attitude adjustment"—that is, he whips Dean's ass with his belt until it's bright red and Dean's begging for him to stop. With his hard cock in his hand, Dean promises to never disrespect the park again.

Now it's time for Tony to take care of Rick, promising to work over his ass as well. With Rick terrified, naked and crouching on all fours on the picnic table, Tony slips a black plastic glove onto his hand and jams his fist clear up Rick's hungry, hungry ass, slipping right in while Dean watches in awe from the other side, jacking his hard cock. Tony works his gloved fist in and out of Rick's ass faster and faster, probing deeper with each thrust. When it seems impossible for Rick to take Tony in any deeper, Rick stands up and lowers himself even further down onto Tony's arm, getting all the way down to Tony's elbow, which is dripping with excess lube. With Rick on his back again, Tony slips a glove onto his other hand and switching between fists, pulling out and exposing Rick's red gaping hole. Dean stands over them and unleashes a torrent of his hot piss down onto Rick, making Rick—who's rock hard and has Tony's fist way up in him—start pissing all over himself and Tony as well. Tony punch-fucks Rick's hole as Rick and Dean both shoot their loads, and Tony hoses the two down with piss before he shoots his cum all over Rick.

Scene 3

Titanmen exclusives Tony Buff, Dean Flynn, Rick van Sant

After having his way with them in the woods, Tony takes the Dean and Rick to a nearby house where they continue to go at it. On his knees, Rick starts by deep-throating both Dean and Tony's generous cocks, first individually then at the same time. While Tony sucks on Rick's downward-curving, uncut cock, Dean gives Tony one of the wettest, most spit-drenched blowjobs of all time. By the time he's done, Tony's cock and balls are literally drenched and dripping with Dean's spit. Tony throws Dean onto his back and commands Rick to sit on his face while he warms up Dean's ass and Rick slurps down Dean's cock. Tony easily slides his cock deep into Dean's ass, skillfully pulling it out all the way with each stroke only to slam it all the way back in. Rick and Tony trade places over Dean, with Rick taking a turn fucking Dean's ass and Tony fucking his mouth. After fucking him good and hard, Rick takes a turn as a bottom, with Tony fucking another fat load out of him. Dean quickly follows suit. From outside the window, François Sagat watches on...

Scene 4

TitanMen exclusives Darius Falke and François Sagat

As the sun rises and the early morning light illuminates a scenic campground, TitanMen exclusives Darius Falke and François Sagat emerge from their tent completely naked and completely hard. The two rugged specimens of masculinity kiss and explore each other's bodies; before long, François assumes a position on his back on a picnic table nearby, pinning his knees back so that Darius can have clear access to his ass. Darius rubs his cock up and down on François's ass crack before lubing up, putting on a condom and plunging his cock deep inside. Stroking his own beer-can-thick cock as Darius rhythmically fucks him, François lets rip a cascade of his own piss arcing straight into his own mouth and drenching his body. After more intense fucking, Darius gets on all fours and François plows his creamy white ass. François pulls out and pisses up and down Darius's back and down the crack of his ass, the stream drenching his hard cock and balls. They soon resume fucking, this time at a more intense pace; as François reaches the limits of Darius's ass, he flips Darius over on his back and the two shoot their loads almost simultaneously all over Darius's rippled abs and chest. They wipe off and François suits up for work in overalls and a hardhat.

Scene 5

TitanMen exclusives Alex Baresi and Eduardo with Arpad Miklos

Three fishermen (TitanMen exclusives Alex Baresi and Eduardo with Arpad Miklos) return home after a long day working on the docks. The three hairy, über-masculine studs peel off their orange overalls and get into the backyard shower, eager to blow off some steam and rinse off a day's worth of sweat and grime. As the three soap up, they playfully horse around, slapping each other's asses and grabbing each other's uncut cocks. It doesn't take long for things to take an erotic turn as attentions turn to their hardening dicks and muscular bodies. Sandwiched between the two other men, Alex is soon on his knees; the shower drizzles down on him as he goes to town on Eduardo and Arpad's hard cocks.

After the extended foreplay in the shower, they dry off to take things further. Eduardo dives into Arpad's massive and hairy muscle butt with long, deep and deliberately slow licks while Arpad feasts on Alex's uncut cock. Arpad flips onto his back and Alex pins his legs back while Eduardo delves deeper with his tongue; soon, it's Alex's turn for Eduardo's expert rimming. Before long, Alex is getting pounded by Eduardo while Arpad fucks his throat. After turning Alex onto all fours and fucking him doggy-style, Eduardo offers up Alex's ass to Arpad, who delivers an unforgettable ass-pounding with his gigantic cock. Soon, Eduardo's on his back getting fucked

by Arpad, who starts out by entering Eduardo slowly and builds up to an intense pace before all three cum all over his hairy torso.

Scene 6

TitanMen exclusives Victor Banda, Dillon Buck and Diesel Washington

Back at the beach, TitanMen exclusive François Sagat peels off his clothes and jumps into the ocean for an al fresco dip. To dry off, he goes for a run along the shore, passing TitanMen exclusives Victor Banda and Dillon Buck on the way. The two lovers pack up their stuff and head towards the campground where they hook up with TitanMen exclusive Diesel Washington. Things get heated up quickly as Dillon watches Diesel push Victor's head down on his extra-long cock, growling with delight as Victor gags on every inch of it. As Victor starts sucking on Dillon's equally humongous cock, Diesel starts shooting piss all over himself. Diesel and Dillon double-team cock-hungry Victor, who's on his knees trying to service both guys' huge cocks with his mouth and throat. Diesel and Dillon then hoist Victor up between them and then all three dump their creamy loads all over Victor.

But things are just getting warmed up; they splay Victor over the hood of their truck and take turns eating his furry ass. Before long, the two major studs are towering over him, taking turns stuffing the compact buck's greedy ass. Diesel does some more of his trademark piss-spurting before they throw Victor first onto a surfboard and then the ground where they all shoot another set of hefty loads all over him.

Scene 7

Titanmen exclusives Tony Buff, Darius Falke and François Sagat

Ranger Tony is finishing up his shift when he meets up with François and Darius for an intense finale in the back of his old pickup truck. Darius quickly falls to his knees to worship the two perfect, rock-hard specimens of cock François and Tony are waving before him. François and Darius jump onto the cab of the truck, leaving Tony on the ground to work their asses over with his tongue, fingers and mouth. François assumes the position by spreading his legs and is the first to submit to Tony's intense fuck. After he's been pounded to submission, François and Darius swap positions, and it's Darius's turn to submit to Tony's skillful ass fucking while François, crouching over his head, covers the two in a torrent of his steamy hot piss. Soon Darius and François are both lying on their back on the edge of the open cab of the truck, legs in the air, as Tony bounces back and forth fucking and pissing all over the two of them. Tony fucks two strong loads out of his two bottoms and then shoots one himself before they collapse on each other, spent and satisfied.

Breakers contains comprehensive bonus content fit for a feature of this magnitude. Disc 1 contains an extensive and intimate behind-the-scenes making-of feature, which includes scenes from a cast and crew meal where Bruce Cam reflects on working on this milestone project. There's also an interview with Tony Buff by Bruce Cam as well as hardcore trailers for other Bruce Cam features. Disc 2 includes a hardcore bonus scene of Eduardo and Arpad Miklos fisting and pissing on Alex Baresi. There's also a compilation of the spectacular non-sexual scenics and transitions from the movie.
