

Fear Named The Exclusive Leather/Fetish Film of the 2007 Folsom Street Fair!

The latest installment in the award-winning Folsom Fetish series, **Fear** takes the darker side of man-on-man sex and brings it to the light of day. Each of the six nail-bitingly intense outdoor scenes on this masterpiece two-disc set explores different aspects of rape, submission, bondage and fetish play in a way that only GAYVN Hall-Of-Fame director Brian Mills could do. At almost 5 hours long, **Fear** includes footage of several acts so extreme they have never been captured on film before, and none of which have ever been filmed so gorgeously as they are here. **Fear** stars the most TitanMen exclusives ever in one movie: **Tony Buff** (making his explosive TitanMen debut), **Dirk Jager** (*Shacked Up*), **Rick van Sant** (*Folsom Leather*), **Diesel Washington** (*Boiler, Crossing the Line: Cop Shack 2*), **Alex Baresi** (*Folsom Leather, Breathless*), **François Sagat** (*H2O, Shacked Up*) and **Dean Flynn** (*Barnstorm, Shacked Up*)! Also stars **Tober Brandt** (*Folsom Leather*), **Derek Da Silva** (*Folsom Filth*), and new TitanMen **CJ Madison, Brody Newport, and Lars Svenson**. Not for the faint of heart, **Fear** pushes the envelope so far that it rips right through it!

(NOTE: Watersports, fisting, scrotal inflation and some bondage available only in director's expanded edit, sold at titanmen.com)

Scene 1

TitanMen exclusive Tony Buff with Tober Brandt and Derek Da Silva.

In his explosive debut, TitanMen exclusive Tony Buff and Tober Brandt hunt down Derek Da Silva in the wilderness. When they finally get him, they tackle him to the ground, tying his arms behind his back. They viciously throat-fuck their eager servant so hard he gags several times until he finally throws up on Tober's thick, hard cock. This hardly deters Derek, as he takes a deep breath and goes down for more intense face-fucking. After fucking, pissing and cumming on him, Tony and Tober are just getting starting to have their way with Derek, who's eager to be used and abused by these rough, tough-talking tops. "You're in for it now, boy!" Tony warns Derek as he hoists him upside down over a pool of icy water. He's completely naked and completely bound up with rope with his arms tied behind his back, as he tenuously swings over the pool, Tober and Tony pissing on him and punching him like he's some sort of human piñata. Despite hard punches to his balls and stomach, Derek's cock remains rock hard though out the entire scene. With the skill of a true bondage master, Tony lowers Derek head-first into the water! Still suspended and bound, Tony jerks Derek off until he cums, with his juice streaming down his bound body and into his own mouth. Then Tony and Tober shoot (again) all over their willing captive.

Scene 2

TitanMen exclusives Dirk Jager and Rick van Sant with Lars Svenson.

Next, TitanMen exclusive Dirk Jager watches from afar as two handsome campers— TitanMen exclusive Rick van Sant and Lars Svenson—set up a tent and go for a hike. When Rick pulls out his thick, uncut cock to take a piss in the woods, Dirk makes his move on the two boy-next-door studs. He pins Lars against a tree and pins Rick down to his knees so he can face the young stud. After the three of them cum, Dirk takes the two of them to a shed with an outdoor leather-covered table beside it. Dirk throws Rick on his back and spreads apart his legs, exposing his insatiable asshole which is practically begging to be pulled wide open by Dirk. He starts with a gentle rim and fingering and then he and Lars take turns pinning his legs back and pounding him with their rock-hard cocks. Lars takes a turn on the table and finds himself on the receiving end of both Rick and Dirk's cocks. After the three of them shoot their loads on Lars's taught, smooth body, Rick finds himself back on the table.

Dirk begins to probe his ass first with a few fingers and slowly builds up to the kind of intense punch-fucking session that Rick is famous for. Lars slips on a pair of black latex gloves and works his fist up deeper and deeper until Rick's practically taking him up to his elbow, and pulls his arm out of Rick's ass quickly for maximum rosebud exposure. When things seem like they can't get any more intense, Dirk hoists the eager bottom up by his hands and knees with some thick rope on a post. Dirk literally punches his gloved fist into Rick's asshole over and over in one of the most intense fisting scenes ever captured on film. Rick cums on his back with Dirk's muscular forearm shifting up and down into him.

Scene 3

TitanMen exclusive Diesel Washington, with CJ Madison and Brody Newport.

In another dark corner of the forest, CJ Madison strokes his giant cock and watches as TitanMen exclusive Diesel Washington hoses Brody Newport down in a torrent of piss from his equally massive cock. Once he's completely drenched in Diesel's and his own piss, the gruff-looking Brody, still on his knees, begins to worship Diesel's cock. Diesel brutally face-fucks Brody until he's teary-eyed and gagging, gasping for air when CJ finally joins in. He takes turns spitting and impaling his face on their two major fuck poles until Diesel finally flips him onto the open bed of his pickup truck and pounds him mercilessly, quickly building up to a brutal pace so intense that Brody's barely able to hold himself up against Diesel's forceful pounding. CJ and Diesel douse their bottom in their massive cum loads.

Scene 4

TitanMen exclusives Alex Baresi and Dirk Jager.

When TitanMen exclusive Alex Baresi's car breaks down driving through the woods, he thinks Dirk Jager (also a TitanMen exclusive) will help him get up and running again, but instead Dirk's got much, much more in store for the buff, fuzzy superstud. After Alex sucks off Dirk until he shoots a hefty load all over Alex's chest, Dirk takes the lace from his work boot and administers some ad-hoc cock and ball torture on Alex until he shoots a load of his own. Dirk takes him back to his lair, but on the way, pins Alex up against a tree and buries his face deep into his hairy mounds while plying him open first with his tongue then fingers. Dirk takes Alex back to his shed for more deep rimming and fingering before delivering an intense pile-driving fuck on the hairy stud from behind and above. After they both cum, under Dirk's watchful eye, Alex administers a saline scrotal infusion on himself, inflating his ball sack to the size of a grapefruit. Dirk punches and slaps Alex's massively engorged scrotum before bending him over onto the table and fisting his hungry, unstoppable ass—the whole time, his gigantic, saline-pumped ball sack hanging and flopping around between his legs as Dirk's fist probes deeper and deeper.

Scene 5

TitanMen exclusives François Sagat and Dean Flynn.

Two boyfriends—TitanMen exclusives François Sagat and Dean Flynn—hike shirtless across the countryside, but thanks to some intentionally bad directions given to them earlier by Brody Newport, they become lost. They decide to take a break, Dean whipping his cock out for a piss. Unable to control himself, François dips his hand into the stream of his boyfriend's hot piss. They kiss and Dean drops to his knees as he peels back François's shorts to reveal an already rock-hard, gloriously thick, uncut cock waiting for a servicing. François returns the favor, swallowing every inch of Dean's equally rock-hard cock with his mouth. It's a rare moment of romance between the two as they savor each other's near-perfect bodies, cocks, and assholes. But evil is brewing in the background as CJ, Brody and Diesel set their sights on them, stalking the two lovers from afar. Against a moss-covered rock, Dean fucks François's muscular ass until François cums, and Dean follows suit soon after, glazing him with his own thick load.

Scene 6

TitanMen exclusives François Sagat, Dean Flynn and Diesel Washington, with CJ Madison and Brody Newport.

As the two collapse in post-coital bliss, they're seized by the sinister trio of CJ, Brody and Diesel for the explosive must-be-seen-to-be-believed finale of terror, bondage and submission. CJ and Brody strip Dean down nude and strap his wrists and ankles into an iron bondage chair. As Dean struggles to get free and tries to understand the bizarre

events unfolding around him, the assailants strap him in by his neck and leave him so they can deal with François. With a horse's bit in his mouth and hanging from a crucifix-like suspension, François is so terrified, he actually pisses clear through his jockstrap (which is already drenched with Diesel's trademark waterworks of piss). CJ and Brody laugh from the sidelines, joining in to piss on him while Dean—who's been wheeled into view so he's forced to bare witness—watches on helplessly as he and his boyfriend are subjected to a fantasia of terrifying acts of submission and bondage which make the previous five scenes seem almost tame by comparison as they push the limits of sex and fear. How far can they take it? How far will they go? You'll have to see it for yourself to believe it.

Clocking in at a total of almost five hours long, this two-disc DVD set is stuffed with the hardcore bonus extras you'd expect from a release of this magnitude, including additional CBT footage and cocksucking with Tony, Tober and Derek, a behind-the-scenes making-of feature, an extended interview with Tony and Derek, a Tim & Roma episode filmed on location, cum shot review, previews for other TitanMen features, and more.
