## **Scene 1**

### **TitanMen exclusive JR Matthews with Spencer Reed**

With his massive chest bursting out of his dark blue skinhead gear, mohawked Spencer Reed enjoys a cigar in a dark room bathed in sultry green and blue tones—and soon blows smoke at latex cop JR Matthews. Spencer shows cop JR who's really in charge, and shoves him to the ground: "Suck my cock!" Spencer's strong hand controls JR's head as his cock gets a messy spit bath. The two squirt, including a huge load from Spencer that hits JR. Now planted to the ground with a boot buried in his butt, JR gets doused in piss—including his own, which he shoots up into his mouth. A chokehold soon has the cop passing out before waking up on all fours, trapped between two bars that leave his ass for the taking. After fucking JR inside the prison, Spencer releases him for more abuse. The deep-voiced top lets out masculine moans while fucking as both of their veins bulge from their biceps. JR's hard cock is soon bouncing as he sits down on Spencer in a stunning fuck shot that captures amazing penetration. Spencer then unleashes his piss into JR's mouth before sliding his dick into a clear, fleshy sleeve and fucking JR through it. Spencer sheds the sleeve and fucks him balls deep some more,

squirting on him before the bottom fires a massive load over his own shoulder. JR then pisses into both of their mouths before they share a spit- and piss-filled kiss.

### **TitanMen exclusive Will Parker with Ethan Wolfe**

A locker room fantasy unfolds for athletes Will Parker and Ethan Wolfe, their toned bodies squeezed into bold blue and red uniforms that have their jock cocks aching for attention. Will is already worshipping his teammate's massive meat, working it up into a slippery lather. Ethan then shoves Will's face into a running shoe—and tapes it onto the submissive sucker's head, forcing him to inhale the manly scent. Turned on by the smell, Will soaks himself in piss—with Ethan joining the spray. His face soon free, Will feeds his thick, bushy slab to Ethan, rubbing his own shoe on Ethan's pulsing cock. The hungry sucker jacks, slaps and whips Will's cock around before the two spunk—with Will licking his load off Ethan's shoe. After more piss play, Ethan gets his ass slapped and eaten. Now on his back, the smooth stud gets fucked by Will, whose huge pecs and tight abs fill the frame. The two then switch positions as Will sits down on his hung bud. After a doggie-style fuck, the two release another round of loads on each other as a kiss completes their winning drive to the end zone.

## **Scene 3**

### **TitanMen exclusives Tony Buff and Dean Flynn with Billy Berlin**

The arresting image comes straight out of a David Lynch film: With his body encased in a shrink-wrap latex fisting cube, Billy Berlin is suspended on all fours with his head and asshole exposed to the elements. Both are soon stuffed by two latex-adorned studs; as Dean Flynn feeds Billy, mohawked Tony Buff shoves his fist deep inside the bottom's hole, the hair on his forearm getting slick. Freed from the cube, Billy gets a feel of Dean's fist and a taste of Tony's giant slab—the two sharing a sultry stare that speaks to the scene's intensity. The alpha studs then take turns twisting their fists inside Billy's oozing ass, their manly arms sliding against each other as they come close to double-fisting. Tony almost works both of his own hands inside, then punch-fists Billy before the three shoot.

Now squeezed inside a near-transparent latex suit that hugs his muscles, Billy takes turns feasting on Dean's and Tony's throbbing cocks. The tops kiss above him as their dick heads touch in his mouth—then take turns forcefully fucking his face as Tony ups the dirty talk. Dean then spreads Billy's hole for rimming, fingering and fucking, grabbing hold of the bottom's latex as he rams him from behind. Tony kisses Billy, gripping him as he encourages Dean to open up the bottom's hole. Tony then gets his turn inside Billy's ass as Dean plows the bottom's gurgling mouth in a hot double-ramming that gets faster and deeper as Tony pile-drives from above. After getting pissed on again, Billy sits down on Tony

before Dean slides in for a hot double penetration that further shows off their amazing stamina. The scene reaches its climax with three more loads—including a gusher from Tony that hits Billy's ass.
