

Legendary director **Joe Gage** takes us back to the sticks—this time, West Virginia's Blue Mountains for **Chainsaw**, where horny loggers are having it out with one another in the great outdoors.

When TitanMen exclusive **Tony Buff** finds fellow logger **Braxton Bond** napping instead of working, he's got a great idea to get him up and at 'em': work naked. But when they both pop boners, the only kind of work they can do is on each other's cocks and asses—until they cum two times each.

Meanwhile, Ranger **Allen Silver** hears some noises and finds his two sons (**Riley Burke** and **Brandon Cole**) having a contest to see who can shoot their load the furthest. He happily joins in on their little contest ...

Sebastian Rivers is a door-to-door salesman trying to make a sale with **CJ Madison**, who's more interested in getting his massive, uncut cock sucked by his eager, young visitor. The two hairy, shaved-head studs are going at it in no time, with CJ ending up slamming Sebastian's ass mercilessly atop his washing machine.

Over at the roadhouse, **Ludovic Canot** and **Bigg Pete** catch **Ken Mack** spying on them in the parking lot. He tells them he's a model scout but before long he's on his knees "scouting" his cocks with his hungry mouth.

Next day is the big company picnic, but work's the last thing on anyone's mind. TitanMen exclusive **Dean Flynn** offers up Allen Silver's long cock up to their new boss **Dillon Buck** (also a TitanMen exclusive). Before long, Riley and Brandon join in and soon all five are sucking, fucking and pissing all over each other.

For the finale, Ludovic Canot, Bigg Pete and Ken Mack show up at the picnic tent to find Dean and Dillon still naked, still hard and ready for another round of dick sucking and ass fucking with plenty of watersports to boot.

(Watersports available only in director's expanded edit, exclusively at titanmen.com)

Scene 1

TitanMen exclusive Tony Buff and Braxton Bond

When Tony Buff finds fellow logger Braxton Bond napping on a blanket in the woods instead of working, he's got a great idea to get him up and at 'em': "Let's work naked!" But when they both pop boners, they have a different kind of work in mind: Working each other's cocks. It doesn't take long before Tony has an idea how to "make it feel better" and coaxes Braxton's mouth down on his fat cock. Reluctant at first, he quickly

impales his whole face down on it while Tony squeals in sheer delight. Tony gladly returns the favor by sucking down Braxton's long, curvy cock all the way to the hilt with aplomb. Braxton sits on Tony's face and it doesn't take long for the two of them to shoot their loads. Braxton then assumes the position on a pile of logs while Tony probes deeps into his tight ass with his tongue and fingers some more before standing up and giving Braxton what he really wants: his hard cock. After a long, hard pounding against the logs, he throws Braxton on his back for the intense, pistol-fucking finale where Braxton ends up with two huge loads splattered across his smooth chest.

Scene 2

Allen Silver, Riley Burke and Brandon Cole

In a scene that could only be described as "quintessentially Joe Gage", Ranger Allen Silver hears some noises coming from upstairs in his house, and finds his two sons—blondes Riley Burke and Brandon Cole—jerking off around a laptop to some porn. Turns out the two brothers are trying to see who can shoot their loads the furthest. Heck, since Mom's not gonna be home for a while, rather than scold them, he joins in on their little contest. It's the first father and son circle jerk and it turns out big dicks (and heavy loads) run in the family.

Scene 3

CJ Madison and Sebastian Rivers

Sebastian Rivers is an ambitious door-to-door salesman trying to sell some motivational videos to beer-swilling CJ Madison. CJ's cock is practically popping out of his boxer shorts as Sebastian gives him his pitch. After CJ takes a mean, long piss off the side of his porch in full view of Sebastian, Sebastian hungrily deep-throats CJ's major dick until torrents of spit are oozing all down his face. Right before he's about to cum, CJ kneels and stuffs Sebastian's cock into his own mouth and the two shoot their loads all over themselves and each other. CJ lures Sebastian into his laundry room where they swap tongue-probing rim jobs. It doesn't take long for CJ to throw Sebastian over his washing machine, slap on a condom and begin fucking him so hard, he's begging for mercy. CJ flips Sebastian on his back and finishes him off with more ass-pummeling. After he's fucked a load out of Sebastian, CJ pulls out and shoots all over him.

Scene 4

Ludovic Canot, Bigg Pete and Ken Mack

It's closing time over at The Roadhouse. Ludovic Canot and Bigg Pete are "all horned up" when they catch Ken Mack spying on them in the parking lot. He tells them he's just a model scout and needs to take pictures of them for work. Hey, the money's good, so why not? The two studs whip out their cocks and start stroking them in the moonlight while Ken snaps a few shots on his camera phone before pulling out his own cock and joining in. It doesn't take long before he's on his knees "scouting" both their cocks through the slits of their boxer shorts with his hungry mouth. Bigg Pete doesn't mind returning the favor by sucking on Ken's dick and somehow, Ken also manages to

convince Ludovic to go down there too, and pretty soon, all three guys shoot their loads all over the ground.

Scene 5

TitanMen Exclusive Dean Flynn and Dillon Buck, with Allen Silver, Riley Burke and Brandon Cole

Next day is the big Appalachia Co. 15th Annual Company Picnic—but having fun is the last thing on anyone's mind. Rumors of layoffs have got everyone a bit preoccupied. TitanMen exclusive Dean Flynn offers Allen Silver's long cock up to their new boss Dillon Buck (also a TitanMen exclusive) as an offering. See, Dean's heard rumors that Dillon is a voracious cocksucker and turns out Allen's hefty piece is just what he was craving. Dean watches from the sidelines with Riley Burke and Brandon Cole, but those three have a hard time keeping their cocks in their pants as well and pretty soon, it's blowjobs all around.

Things move towards rimming as Brandon and Allen offer their asses up to Dean and Dillon's darting, probing tongues. Dean cracks open Brandon's ass with his hard cock, and Dillon's doing the same to Allen: father and son looking into each other's eyes while they've both getting pounded. Riley sneaks up behind Dean and gets his dick up his ass while he's still fucking his brother. Pretty soon everyone's cumming everywhere. After all five guys have dropped their loads, they move outside the tent for an extended hardcore watersports scene, with all the guys pissing all over each other.

Scene 6

TitanMen exclusives Dean Flynn and Dillon Buck with Ludovic Canot, Bigg Pete and Ken Mack

Ludovic Canot, Bigg Pete and Ken Mack show up at the picnic tent and find Dean Flynn and Dillon Buck still naked, still hard and totally ready for another round of piss-drenched fucking and sucking. With Dean and Dillon's gorgeous, hard cocks flapping in the breeze, it doesn't take much conversation or coercion to get Ludovic, Pete and Ken to whip their dicks out; by now, we all know where things like this turn out! Pete goes to town on Dillon's massive member while Dean worships Ludovic's and Ken's. While Dillon's priming Dean's ass with his tongue, Ken's bouncing back and forth between Pete and Ludovic's ass. As Dillon fucks Dean, everyone else gathers around Dean and shoots their loads all over him. There's one last scorching watersports segment with Bigg Pete getting pissed on by the rest of the guys.

Chainsaw features over 4 full hours of hardcore man-on-man action. DVD extras include Behind the Scenes footage, a cumshot reel, trailers and more.

(Watersports available only in director's expanded edit, exclusively at titanmen.com)
