

Continuing in the tradition of TitanMen's award-winning line of co-branded Folsom films, ***Folsom Undercover*** kicks off the fall season with explosive fetish fireworks. A private sex fraternity has businessmen living second lives, indulging their deepest desires away from the boardroom. A series of clandestine encounters allows the studs to remove all inhibitions, relieving their stress through sexual aggression—even if it risks getting caught, putting their professional reputations in jeopardy. Four scenes bring you more than 2 ½ hours of unforgettable action—half of it shot in the beautiful outdoors, including one of the hottest fisting sequences you'll ever see. Led by 11 stunning men—including TitanMen exclusives **Tony Buff**, **Eduardo**, **Darius Falke**, **Dean Flynn**, **Dirk Jager** and **Rick van Sant**—***Folsom Undercover*** is the perfect fetish fantasy for fall. It raises the bar yet again, complete with edgy action, loads of leather and two sets of cumshots per scene. Get undercover and get off!

High-rolling executive **Dean Flynn** needs an escape from his busy day of merger meetings, so he heads to the woods after work and finds **Eduardo** equally hungry. After Dean gets some oral relief, he bends over for a pounding—and some electric stimulus that has his ass quivering as he gets fucked. The two flip each other for three rounds of fucking, ending with watersports play that leaves Dean drenched.

Dominant **Tony Buff** leads the charge in the unforgettable initiation of **Tyler Peter**, who gets tied up as part of his hazing. Buff is joined by muscle studs **Dirk Jager** and **Frank Philipp**, and the three take turns shoving their huge cocks down Tyler's mouth before ganging up on his ass. All are watched from above by the beefy, tattooed **Titus**, who strokes his meat while enjoying the action. Included in this packed scene is an amazing interlude with Tony and Frank dousing each other with hot wax, and more watersports that have Tyler soaked in submission.

Businessman **Darius Falke** is working late in the office when he gets a visit from new employee **Max Schutler**. "If you stay, I can show you how things work here," advises Darius. Soon, the rookie is on his knees sucking huge boss cock—eventually offering up his ass in three different positions, including the final fuck on the desk that ends the passionate pairing with a bang.

**Billy Berlin** drives to a secluded clearing in the woods and finds **Rick van Sant** assuming the position in a sling: blindfolded with his wrists restrained and his legs up in

the air, ready to be devoured. The two take turns sucking each other's rock hard cocks before Rick fucks Billy in the sling. But the two are just getting started: following their heated fuck, they lube up their hands and asses to put on a flip-fisting session for the ages—including unforgettable sequences with both of Billy's fists firmly inside Rick's hungry hole.

## **Scene 1**

### **TitanMen exclusives Dean Flynn and Eduardo**

TitanMen exclusive Dean Flynn narrates some secrets of the sex fraternity—including the requirement that once a year, they must have sex in a place where they could be caught. That risk entices the businessman to the woods, where he locks eyes with accomplished porn veteran (and fellow TitanMen exclusive) Eduardo. The two kiss and rub each other as their business clothes come off, revealing harnesses over their built chests. The beefy, hairy Eduardo—veins bursting from his huge biceps—falls to his knees to suck on Dean's cock, working it up with wet wads. Eduardo then takes off his leather jockstrap and straddles Dean's face, planting his muscular, hairy ass over Dean's tongue. Eduardo grinds his ass over Dean, who spreads the big cheeks and dives in. The two then jack off, squirting loads on Dean's toned chest and stomach.

Dean then gets the itch and bends over the park table for Eduardo, who offers a sexy smile as he starts to fuck him from behind, holding on to the back of Dean's harness as he plows away. After breaking him in, Eduardo breaks out a surprise: remote-controlled electro-stimulus pads that he attaches to Dean's ass. Eduardo cranks up the controls to get Dean's muscular butt quivering, and then starts to fuck him some more. Dean then decides to turn the tables, getting Eduardo on his back to open up his hairy hole. Dean fingers and fucks the hunk, followed by a heated stare-down where Eduardo lets out a big stream of piss from his still-hard cock—with Dean watching and stroking in delight.

Eduardo then gets another crack at Dean's ass, fucking him again before the two fire off another round of cum. Things get even wetter when Eduardo unleashes a big stream of piss on Dean, and Dean pisses all over himself.

### **TitanMen exclusives Tony Buff and Dirk Jager with Tyler Peter, Frank Philipp and Titus**

New members of the secret sex club must be approved by a unanimous vote, which happens after a pledge has been tested—a brutal process that few can handle. But toned, handsome Tyler Peter is up to the task. As this dark and beautiful scene starts,

Tyler is surrounded by candles that are soon lifted above him as a chandelier, pulled up by Titus—a tattooed hunk of beef watching from above. Down below, TitanMen exclusive stud Tony Buff—almost bursting of his tight leather pants—ties up Tyler from behind, leaving his wrists and ankles useless in a tight maze of rope. Tony calmly whispers out his orders: “Step back...on your knees.”

That’s when the massive, leather-vested Frank Philipp steps forward and the two dominators unleash their big cocks while Tyler watches. Frank drops to his knees to admire Tony’s manhood, soon grabbing on to his balls and opening wide to engulf the massive cock. Spit drips down as Frank gasps for air, with Tony firing some wads into Frank’s mouth from above. Frank strokes his own uncut boner, and soon the two start feeding Tyler. They are joined by another buff bod in handsome TitanMen exclusive Dirk Jager, who enters from behind and sheds his suit. The three take turns shoving their hard uncut rods down Tyler’s mouth, grabbing on to his head as they fuck his face. Tyler works up a wet mess, spit dripping from his chin and dangling between his mouth and Dirk’s dick.

As Titus watches and strokes from above, his cock throbbing in excitement, the three men squeeze out their loads as Tyler’s own big dick pulses with pleasure—especially when Tony fires off a huge stream, providing one of the hottest loads you’ll see all year that makes a hot sound as it hits the ground. Tony then orders Tyler to get up and lie on his back, and Dirk smiles sexily as he strokes off the submissive pledge.

Tony and Frank then put on a show for their friends, taking turns spilling hot candle wax on each other. Their muscular chests get drenched in red and white streams, both moaning in pleasure as excited Tyler’s big meat throbs by itself as he watches. Frank’s dick seems to get harder with each drip as they both grunt away, and soon the alpha males then turn their attention below—Frank holds their cocks together and Tony spills streams onto them, forming a huge mound of colorful wax.

The men turn their attention back to Tyler, binding his wrists to his legs—and setting him on his back in preparation for a gang bang. Frank is up first, licking the bottom’s hole and sucking his balls before fucking him. Tony is next, writing “Fuck Me” on Tyler’s cheeks before diving in. They later turn Tyler over and take turns pounding him doggie-style in a ball-throbbing display, turning him over again to fuck some more. The action ends as they take turns squirting over Tyler—with Tony letting out another huge stream, followed by Titus finally letting his load go from above. After coming, Tony, Dirk and Frank piss on Tyler to seal the initiation, with Tony letting out an impressive stream before rubbing it all into Tyler’s chest.

### **Scene 3**

#### **TitanMen exclusive Darius Falke with Max Schutler**

While working late at night at the office, TitanMen exclusive Darius Falke gets a call—and a dirty picture—from his frat brother Frank. It gets the businessman so horned up,

he can't help but come on to new employee Max Schutler—who's helpless to the handsome employer's advances. The two are soon locked in a heated kiss as Darius takes off his blazer, tie and shirt, a leather harness uncovered over his toned, muscular chest. Despite towering over Darius, the tall, dark and handsome Max is the one to submit, falling to his knees and grinding his lips over his boss' groin. The pants come off to unveil a bulge trapped under a leather pouch, soon snapped off to release Darius' huge cock and balls.

As Darius sits back on his desk, Max gets to work, impressively deep throating the huge piece. Darius raises his hand to his head, and the long shot catching the action from afar is one of the hottest shots you'll see, with Darius' huge dick and sac at the sweet center. Max is rock hard, tugging on his own foreskin as he sucks, spit dripping down Darius' shaft. Max then sits in the chair, which Darius steps up on and then continues to feed Max, whose tight stomach clenches as he slurps—his gorgeous eyes looking up at Darius. Max lets go of his load, which Darius finger-feeds him before squirting himself.

Round 2 starts as Darius straps a harness on Max, who falls to all fours. Darius gets an appetizer by eating Max's smooth hole, pulling on the bottom's hard boner from below. Darius then grinds his cock on Max's ass before diving in for a fuck, grabbing on to Max's harness as he thrusts away. The two then move back to the chair, with Darius taking a seat and Max mounting him for a sit-down fuck—first facing Darius, with the two passionately staring at each other as Max bounces away. The bottom then turns around, staying stiff as he continues to ride the rock-hard shaft while Darius rubs his nipple from behind. They then head to the desk, where Max lays on his back for more pounding. The action heats up as Darius moves from a slow, romantic grind to a fast, frantic plowing, with Max's toes curling in delight. Max comes as he gets plowed before Darius lets go of his load, the two kissing to end the scene.

#### **Scene 4**

#### **TitanMen exclusive Rick van Sant with Billy Berlin**

It's time for Billy Berlin to brave the risk of outdoor sex—parking by the side of the woods and finding a clearing, where TitanMen exclusive Rick van Sant awaits, blindfolded and strapped to a sling, ready for attention. Billy takes out Rick's huge boner and starts jacking and sucking him, spit dripping down. Billy takes off Rick's blindfold and the two stand up and kiss, the tall Rick soon dropping down to service Billy's rock-hard throbber. Billy then heads to the sling to get eaten and drilled by Rick, who grabs on to Billy's harness as he delivers a fast fuck. The two then release their loads and kiss before pissing, Billy drenching himself with an impressive stream.

But the fun has just started as Rick gloves up his hands for more hole play. With his rubbered hands lubed up, Rick starts to tease Billy's hole with a finger—which soon turns into a fist. Rick gets a steady rhythm going, alternately sliding his hands in, back and forth as the bottom's hole oozes lube. Billy stays stiff as a board the whole time, holding up his cock in impressive fashion. Rick speeds up his hands, and works his left

arm in as Billy jacks to release a second load, the two kissing once again. Now it's Rick's turn, and the top's hole is just as hungry. Billy gets his own fluid rhythm going as he slides one fist in after the other, with Rick also showing off his hard cock. Billy then twists his right arm far in—and soon has both of his full fists in at the same time, Rick's hole dripping away in a stunning sequence. Billy continually makes both of his hands disappear at the same time as Rick—who later pushes out his red pucker—moans in approval, firing off another load while he's full of Billy's fists.
