

Lock your doors. Close the curtains. Call the police. The sexy strangers are out there, and your ass isn't safe. Legendary director Joe Gage injects sultry suspense into his latest masterpiece, a tale of unlawful entry and the ties that bind. One dark night at a secluded house, a businessman is held captive by three intruders. But when the father's three sons come home, the criminals get more than they bargained for—learning that the family that stays together plays together. Who's the most twisted of them all? Find the surprising answer in *Home Invasion* as a hot cast of 12 studs led by TitanMen exclusives **Tony Buff** and **Chad Manning** lead you through an erotic open house.

Unaware of his father's predicament, son **Jackson Wild** heads to the guest house for some webcam fun. When voyeur **Tommy Ruckus** comes to the door, the two beat their big meat in a steamy stroke session.

Son **Tristan Raine** then stumbles upon a stranger—the horny **Scott Tanner**, who soon has the uniformed seaman on his knees (and all fours) to please his huge criminal cock.

When officer **Enrique Currero** responds to a silent alarm, he's met by the huge cock of muscle stud **Tyler Saint**—who fills the cop's holes as thug **Tony Buff** strokes his massive meat from afar.

Braxton Bond arrives for an orgy, but instead finds intruder **Chad Manning** in the kitchen. After exchanging sucks, Bond gets pounded on the counter by the muscular hunk.

Horny **Ty Roberts** and **Geoffrey Paine** arrive late for the orgy, but **Wild** welcomes them with open lips while **Ruckus** watches. When third brother **Sean Preston** stumbles upon the action, **Buff** can't keep his cock out any longer as a flurry of suck-and-fuck activity ensues.

Scene 1

Jackson Wild and Tommy Ruckus

Young, hung and smooth as silk, town whore Jackson Wild is too preoccupied with his hormones to notice his dad is in trouble. When the fair-skinned son reaches the guest house, he hops online and strips for his webcam, squeezing his huge boner into a posing strap to please his online buddy. That's when hot and hairy Tommy Ruckus—a stubbled blue collar stud in a flannel cutoff and baseball cap—appears at the door, welcoming his tan body inside to get a closer look. Tommy also gets his boner going inside a tight posing strap as the two tease their shafts. They stand and

stare at each other as they stroke, their huge cocks beautifully captured in profile shots. Tommy gently tugs on his nuts and his stiff meat throbs in excitement; he also pushes his cock down and lets it snap up in a stunning display. Jackson then shoots his load as turned-on Tommy's mouth opens in excitement.

Scene 2

Scott Tanner and Tristan Raine

Home on a furlough from the Naval Reserve Officer Training Corps, blond seaman Tristan Raine heads up to his room, equally unaware of the danger he's in. He quickly runs into manly Scott Tanner, who tries to lie his way out of trouble. Equally skeptical and excited, Tristan is slowly seduced by the charismatic schemer. Scott shoves his hand down his own pants and sniffs his fingers before giving Tristan a whiff of his manhood: "I can't help it...I'm horny." When Scott unleashes his massive dick through his boxer shorts, Tristan is helpless. Scott puts his hands on Tristan's shoulders and gently guides the young man down to his knees, where he stares at that beast of a cock—finally diving down for a glorious suck. Tristan supplies some steady slurps, getting deeper with each thrust. Scott returns the favor, crouching down on his toes as his cock throbs by itself before the two come. They then head to the bed, where Scott takes control—eating Tristan's ass before sliding his finger inside and twisting it. Scott then plants his cock deep inside Tristan's hole, his own beautiful ass—complete with a gorgeous tanline and light coat of fuzz—thrusting away before the two release another round.

Scene 3

TitanMen exclusive Tony Buff with Tyler Saint and Enrique Currero

Officer Enrique Currero arrives at the secluded house above the beach, responding to a silent alarm set off by owner Tyler Saint. "Get rid of him," warns thug Tony Buff, who has the father bound in the den. "Try this," says the criminal as he unzips Tyler's pants and takes out his hostage's cock. "Remember, I'll be watching." Fearing for his safety, Tyler has to play along—and entices the cop with his huge meat. Knowing his sexually active son is popular with the locals, Tyler distracts the cop further: "He's got a big dick, doesn't he? Is it as big as his dad's?" Unable to control himself anymore, Enrique gets a close look at Tyler's shaft, then strips down to offer his own uncut slab. Tyler's warm mouth gives expert attention to the cop's gorgeous meat (featuring a hot vein down the side), repeatedly nibbling on his foreskin. Excited by the action, Tony watches from afar, the huge bulge in his jeans soon released for some stroking. After milking Tyler's giant cock back (with some hot slurp sounds), the two jack off and Tyler touches their dick heads together in a heated shot. Enrique then offers his smooth hole for tongue treatment before Tyler then takes control with his cock. He fucks Enrique in a few positions, his massive chest and arm muscles bursting off the screen. The three men release their juice to finish the scene.

Scene 4

TitanMen exclusive Chad Manning with Braxton Bond

While hungry intruder Chad Manning hunts through the kitchen looking for something to eat, he's interrupted by a visitor at the door: Braxton Bond, who has arrived early for the orgy planned by Jackson Wild. "You lookin' for some relief?" asks Chad, who soon works his hand inside Braxton's pants and takes out the guest's throbbing cock. The toughie holds on to Braxton's shaft, then drops to his knees to get a closer look and engulfs the visitor's meat. Manning's muscular, hairy body surrounds his beefy boner with its gorgeous upward arch. The cock proves to be too tempting for Braxton, who returns the favor by slurping on Chad's amazing package—working up a slick mess of spit that drops to the floor. The two stand up to fire off their loads, with Braxton's wad landing on Chad's pubes. "Get up there, boy!" commands the aggressive Chad, who continues to order around his unknowing captive by making him get on all fours atop the kitchen counter. Chad spits on Braxton's hole and rims him, his own big boner grazing Braxton's foot. Chad then takes a dick dive into Braxton's ass, working up a steady pounding. The two squirt off another round, with some of Chad's milky load landing on Braxton's cock.

Scene 5

TitanMen exclusive Tony Buff with Geoffrey Paine, Sean Preston, Ty Roberts, Tommy Ruckus and Jackson Wild

Smooth goateed stud Ty Roberts arrives for Jackson Wild's orgy with bearded hunk Geoffrey Paine. "Show him why we're here," says Ty, causing Jackson to drop to his knees and suck Geoffrey's big meat while Ty strokes his own massive cock. The moaning Jackson proves to be a voracious sucker, enthusiastically deep-throating the excited Geoffrey, planting his lips to the base of the stud's pole. Ty is joined in his voyeuristic stroking by Tommy Ruckus, whose cock is a true vision (especially with his hot balls resting above his jeans)—it repeatedly pulses on its own, a rock-hard tool that he continues to snap up with force, the piece aching for attention. Jackson's brother Sean Preston then arrives, drawing the attention of Tony Buff, who takes a break from burglary to exert his control. The muscular criminal gets the attention of tall and trim Sean, guiding the young man to his knees. Faced with Tony's huge uncut slab, Sean looks up for approval—and the encouraging nod from the alpha male sends Sean's mouth into action as Tommy continues to stroke while watching.

Jackson then uses his deep throat on Ty's super-big shaft, and Tony brings his scruffy chin over to munch on Jackson's puckering pink hole. Tony gets the smooth ass nice and wet, spitting down on his own cock as he strokes before fingering the bottom. Jackson then lets out a continuous stream of loud, pleasure-filled moans as he gets rammed by Tony, who licks up his own load off Jackson's back after they squirt. Watching from the couch, Geoffrey lets out a big load on his own thigh, with Sean and Tommy soon following suit.

The second round begins with Sean slurping on Geoffrey, while Ty—his own meat hard as hell—sucks on Tony, who steadily guides Ty's head with his strong, controlling hands. As Ty's mouth drips with spit, Geoffrey decides to deep throat Sean's big cock in impressive fashion. He then fucks Sean, who gets his mouth stuffed by Tony—who soon takes over Sean's ass with a powerful fuck that has the moaning bottom's toes curling. Ty continues to watch and stroke, his mammoth cock literally filling the screen. The men finally fire off one impressive squirt after another: Tony rubs his hands on Sean's cum-covered body, Geoffrey drenches the couch and Ty—his body glistening with sweat—uses two hands on his beast, licking a few drops of jizz off his finger to end an orgy for the ages.

Bonus Features

A behind-the-scenes look at the film provides some more naked fun (and a great blooper with Scott Tanner's cock), while the photo shoot footage is highlighted by spirited fluffing action and the gorgeous site of Tyler Saint's powerful throbbing cock, which has a mind of its own. A cumshot collection, trailers and a look at the TitanMen Tool line round out the package.
