Safety First!

Do not try this at home without the guidance of an experienced practitioner. Not only will it provide an opportunity for interactive understanding of risk mitigation and guided practical application but will help build strong community relationships and serve to sustain the tradition of mentoring within our community.

Find the Center Bite of the Line.

We're using a 5-ft Length of 4-mm Hemp.

Create a Lark's Head using the Center Bite.

Parker’s Ball Separator

Slip the Lark's Head around the Cock & Balls ...

... and tighten at the Base of the Cock & Balls in the center of the ‘Taint.
Create several Twists in the Line emanating from the Taint.

Lay the Twist between the Balls...

... and separate the Lines at the Base of the Cock's Shaft.

Pass the Lines around the Cock and Cross them behind the Shaft.

Pull the Lines under the Balls and Secure with a Square Knot.

Bottle Knot

Place the Right Turn over the Left Turn.

Tuck the Center Bite under the Left Turn, over the Right Turn, under the Left Turn and over the Right Turn.

While holding the Center Bite, grab the Right Turn ...

... and pull it down behind the Body of the Knot to the bottom of the Knot.
Bottle Knot

While holding the Center Bite, grab the Left Turn ...

... and pull it down in front of the Body of the Knot to the bottom of the Knot.

Bottle Knot as Anchor for the Balls

Although the Bottle Knot is primarily used to form a handle to carry Bottles and Jugs, we have another Purpose.

Place the Bottle Knot over the Balls and tighten as desired.
**Bottle Knot as Anchor for the Balls**

Pass the Working Ends of the Line through the Center Bite, ...

... Secure with a Half Hitch or two and use to Anchor or hang weight from the Balls.

Roger’s Cock & Balls Tie

Continue Wrapping the Working End around each Ball in this Figure Eight fashion until the Balls are nicely secured.

... until the Balls are nicely secured.

Roger’s Cock & Balls Tie

Pass the last of the Working End around under the Balls to the base of the Cock’s Shaft and secure with a Square Knot.

*This* is an excellent tie for CBT.
Wrapping for the Cock & Balls

Find the Center Bite of the Line and place it along the Scrotum allowing for extra length to the Center Bite.

Here we're back to a 5-ft Length of 4-mm Hemp.

Begin tightly Wrapping around the Scrotum and above the Testicles.
